

Vutility Appoints Gerard Reid to Board of Directors

Internationally recognized expert brings extensive global network, vision, and expertise to advance Vutility's role in accelerating the energy transition

SANDY, UT, UNITED STATES, April 4, 2023 /EINPresswire.com/ -- [Vutility](#), a leading provider of IoT and cloud-enabled real-time energy management [solutions](#), today announced the appointment of [Gerard Reid](#) to its Board of Directors.

Mr. Reid is an internationally recognized expert and leader in the global energy transition with over 25 years of experience in the energy and technology sectors. He is a Co-Founder of Alexa Capital, a London and New York-based boutique investment banking firm focused on energy, mobility, and technology investments, as well as the host of the Redefining Energy podcast. In addition, he serves on the World Economic Forum's Global Future Energy Council and as a featured lecturer and fellow at institutions such as the University of Minnesota. Prior to Alexa Capital, Mr. Reid was Managing Director of Global CleanTech Research at Jefferies, and has overseen on boards for numerous high-growth energy and cleantech ventures.

"We are delighted to welcome Gerard
