

Operon Strategist Launches Newsletter (Reguveda) to Give Regulatory Updates to Viewers

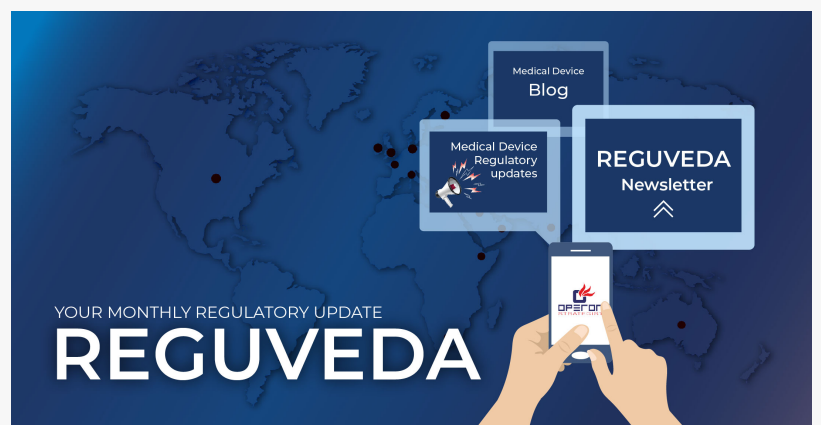

Operon Strategist launches Reguveda, a free monthly newsletter providing the latest regulatory updates and insights for medical device professionals.

PUNE, MAHARASHTRA, INDIA, April 4, 2023 /EINPresswire.com/ -- [Operon Strategist](https://www.einpresswire.com/operon-strategist), a leading medical device consulting firm, is proud to announce the successful launch of its latest Newsletter, The Reguveda on their website. The newsletter delivers up-to-date news and insights on the latest regulatory updates in the medical device industry to medical device professionals.

The free monthly newsletter Reguveda is available for download from the company's website or will be sent right to the inboxes of subscribers. It will give readers the most recent information and updates on international medical device standards, legislation, and guidance materials.

Staying updated is crucial for healthcare professionals, industry experts, and investors given the quick pace of regulatory updates in the medical device market. The [Reguveda Newsletter](#) gives readers a thorough rundown of the most recent advancements in the industry, including regulatory changes and updates.
