"An auction of so much hand-painted quality is a rare opportunity, but that's exactly what is presented in this auction," said Jason Woody of Woody Auction. "[Limoges](#) and [Royal Bonn](#) are two categories that are strongly featured in this auction, as well as other fine makers such as Muller Frères, Wave Crest, [Lladro](#), La Verre Francois and Moser. All lots are being offered without reserves."

The April 22nd auction will be preceded by an online-only auction on Friday, April 21st, beginning at 8 am Central time. The traditional in-person auction, with online bidding available, will be held the following day. "We guarantee that in both events no one will be disappointed," Mr. Woody said, adding "there will be no buyer's premium for those in attendance on April 22nd who pay with cash or check."
