

ALT 5 Sigma Restricts Canadian User Access

ALT 5 Prime service will be restricted and only available to Permitted Users as per National Instruments 31-103.

TORONTO, ONTARIO, CANADA, April 4, 2023 /EINPresswire.com/ -- ALT 5

SIGMA INC, a global fintech that provides next generation blockchain powered technologies for tokenization,

trading, clearing, settlement, payment, and insured safe-keeping of digital instruments announced today that its ALT 5 Prime service will be restricted and only available to Permitted Users as per National Instruments 31-103.

According to the Company, the temporary restriction is imposed while the company works with the Ontario Securities Commission to seek registration.

“These restrictions are necessary in order to continue to uphold the highest standards in compliance” said Andre Beauchesne, President and CEO of ALT 5 Sigma Inc. “The retail market has never been our target market and as such these restrictions only affects a handful of customers” further added Mr. Beauchesne.
