

Vutility Strengthens Team with New Hires

Team's expertise ensures Vutility positioned to meet increasing demand of products and services

SANDY, UT, UNITED STATES, April 11, 2023 /EINPresswire.com/ -- [Vutility](#), a leading provider of real-time energy monitoring [solutions](#), is pleased to announce the hiring of two new team members. Katherine Calvin has joined the company as Director of Supply Chain, and Eddie Meyersick has joined as Director of Business Development.

Katherine Calvin brings a wealth of experience in supply chain management, having previously held roles at organizations including global firms, such as Viasat, to fast-scaling companies, including WeLink. She has a proven track record of success in developing and executing strategies to optimize supply chain operations.

Eddie Meyersick is a seasoned sales professional with a successful track record of developing and executing sales and partnership programs. He has worked in a wide range of customer-facing and sales positions at leading technology companies, including Amazon and Sigfox, with a deep understanding of the IoT solutions industry.

The ongoing growth of the Vutility team reinforces the company's commitment to providing innovative real-time energy monitoring solutions to its customers. Ms. Calvin and Mr. Meyersick's expertise will help ensure Vutility stays positioned to meet the increasing demand and ongoing enhancement of its products and services.
