Isopropyl Alcohol (IPA) Market Growth:

The isopropyl alcohol (IPA) market has been growing steadily in recent years and is expected to continue to

grow in the coming years. The market growth can be attributed to several factors, including the increasing demand for IPA as a solvent in various end-use industries, such as healthcare, cosmetics, electronics, and automotive, among others, as well as the rising demand for disinfectants and sanitizers in the wake of the COVID-19 pandemic.
