

In 2025, Unsolicited Press Will Publish Only Works by Womxn

The small Portland publisher, Unsolicited Press, will release only books published by womxn in 2025.

PORTLAND, OREGON, USA, June 5, 2023 /EINPresswire.com/ -- The publishing industry is dominated by [womxn](#) -- not at the top, but they are the backbone of the book world. But that doesn't always mean that womxn are given their fair due. Book by book, men make more money and hold more leadership jobs in the workplace. [Unsolicited Press](#), a small publisher based out of Portland, Oregon wants to help change that. The press focuses on the works of the unsung and underrepresented. As a womxn-owned, all-volunteer small publisher that doesn't worry about profits as much as championing exceptional literature, they have the privilege of partnering with authors skirting the fringes of the lit world.

Their decision? To produce only [books](#) by womxn in 2025. The womxn that they've chosen to partner with in 2025 are:
