

# Rapid Boost Marketing is Celebrating 10 Years Serving Clients All Over Western Canada

---

EDMONTON, ALBERTA, CANADA, April 5, 2023 /EINPresswire.com/ -- Rapid Boost Marketing is a software development & digital marketing company that was born in Edmonton, Alberta to meet the internet marketing needs of businesses and individuals in the area. Over the years, the internet marketing company has expanded its service coverage all over Western Canada, helping more businesses and individuals reach their internet marketing goals, as well as putting more money in their pockets. Having enjoyed unbelievable success records over the years, Rapid Boost Marketing is proud to announce its 8 year anniversary providing boutique digital marketing services to clients.

Multi-discipline marketing agency & software development firm focused on reimagining how brands connect with people, while pushing the boundaries of possibility in the ever-evolving digital landscape.

Each member on our team is a unique mix of strategists + content experts + product manager + full stack developer + designer that come from companies such as Facebook, Apple, Tesla, LinkedIn, etc.

Announcing the celebration of its 9 years of actively helping businesses and individuals meet their internet marketing goals, the spokesperson for the digital marketing agency said, "Every modern business needs a CMO-level expert to lead advertising and marketing efforts. We strategize, plan, and execute award-winning campaigns for brands such as Coca-Cola, Remax, Maxwell, Manpower, as well as other medium-sized organizations and brands across North America. Looking for an unfair advantage over your competitor? We have over 8 years, proving that we are the best to work with."

At Rapid Boost Marketing, their team of Edmonton Marketing experts takes digital marketing to the next level and in the eight years of serving its clients, has pursued relationships based on transparency, persistence, mutual trust, and integrity.

In the eight years of its active service to the community and beyond, the Edmonton SEO experts have been able to acquire professionals who bring over 32 years of combined experience to their practice. The wealth of experience has led to the expansion of their services provided to include more than just search engine optimizations.

Having graduated into a full-service SEO company, Rapid Boost Marketing is proud to offer services including:

**Complete Digital Marketing Strategy** - A service that involves tailoring bespoke content marketing strategies for each client based on their specific needs. Staffed by experienced copywriters who know exactly how to make words sell, Rapid Boost Marketing offers industry news, case studies, interview writing, press releases, content strategy, white paper writing and more.

**Web Design Services** - Their team understands that a website should not just draw attention but also attract and engage users. To this extent, their web design services have been designed to help brands communicate better with their audience while also raising awareness about desired products and services. Branding and logo design, graphic and UI design, and mobile application design are also part of this service.

**Software & Mobile App Development** - We provide end-to-end Web, Android & iOS mobile apps development services. Our services include concept planning, wire-framing, mock-ups design, app development, app marketing & app monetization. All of our apps are customized & coded natively. We develop apps with the latest technologies available in the market so your customers get the best experience using the apps.

**Mobile Marketing** - Aimed at exploring new channels and platforms emerging daily to push their client's products and services to target audiences.
