OLYMPIA, LONDON, April 7, 2023 /EINPresswire.com/ -- America's My American Terrorists is a captivating book chronicling the fascinating events of one woman's life that will captivate readers to find love, happiness, and peace. The book will be part of [Bookmarc Alliance's](#) exhibit for the London Book Fair scheduled on April 18-20 at Olympia London.

Although the term terrorist typically evokes images of international violence, in America's powerful and allegorical memoir, My American Terrorists, the term takes on a new meaning: that of abusers within a domestic setting. Through her experiences of betrayal, deceit, and twisted abuse, America shares a story

that will inspire and captivate readers. But this is more than just a personal tale - it's a call to action, a tribute to those who have lost their homes, and a message to those fighting for justice and a better future. As readers turn the pages of My American Terrorists, they will find themselves drawn into a world of love, happiness, and peace that America believes is possible for all of us.
