“

... I wish that all who hear and see "Calvary" are filled with hope and faith, and that the chaos and fear in our world, are replaced with Love."

It was only Matney's intention or hope to get the song and video played in his local church, and sending to family as a gift, but he agreed to let his wife post it on Facebook. "Calvary" received so much attention, interest, and plays during the first few days it was out, that Matney decided to send it to a few friends including Kimberly May and John Warden from Rive Video. They really liked the track and

visuals and contacted Mike about sharing this special gift for all.

"It is my honor to use my gifts to uplift others with this song and video. I wish that all who hear and see "Calvary" are filled with hope and faith, and that the chaos and fear in our world, are replaced with Love." -Mike Matney
