### 3 STEPS TO GET DREAM BROWS

Using the iMethod Beauty Eyebrow Stamp Kit is incredibly easy. First, mom can select the best brow shape that she wants to use. Second, she should apply the brow powder to the stamp using the included applicator sponge brush. She presses the sponge brush onto her eyebrow, making sure to align it with her natural brow shape. Thirdly, she can use the angled brow brush to fill in any gaps or to define the brow further. It's that simple!
