How did you begin your journey to [study abroad in the UK](#)?

Three years ago, I realised I wanted to go abroad and pursue higher studies. I started out with many questions in my head.

Should I pick a high-ranking university or a course that suits my skills better? Which country do I select? I also had to chalk out what my aspirations were for my life after I completed my studies. With all the options available, it became overwhelming to choose what and where to study. I was confused!

How did you find ScotsGrad?

To clear my confusion, I looked for guidance online. That's how I stumbled upon ScotsGrad on Social Media. They had great reviews and I hoped that they would be able to clarify my doubts.

What was your experience with ScotsGrad?

ScotsGrad made it easier for me to achieve my goals! Discussions with the founders, Nithin and Kathir, gave me an accurate picture of life in the UK, as a student and as a graduate. I got expert advice on the application process and step-by-step assistance through it. Through ScotsGrad, I also won a 5000 Pound scholarship! Not just this, but the team also guided me through job applications and stayed in the loop before and after my graduation.

Where are you now?

I have successfully completed my studies and am now a working professional here in the UK. Soon after finishing my studies, I landed a job with a Tire 2 Sponsorship.
