# "The World of WATER" Exhibition Opens at Cornell Art Museum This Friday

Exhibition Features Artistic Interpretation of Water, Touching on the Environment, Conservation and Sustainability

DELRAY BEACH, FL, UNITED STATES, April 7, 2023 /EINPresswire.com/ -- WHAT: The Delray Beach Downtown Development Authority (DDA) has announced a new immersive exhibition at the Cornell Art Museum: "The World of WATER." The showcase, which features 18 South Florida artists, explores an artistic interpretation of mankind's connection to water, touching on the environment, conservation and sustainability. Features include:

-A total of 40 pieces featuring textural elements in mixed media sculpture, installations, glass, digital and film photography, oil and watercolor paintings.

-Sound Design by Fort Lauderdale's Multidisciplinary artist Dave Rosenthal, founder of Desire Media Productions, invites guests to linger and hear the sound of water in an immersive experience.

About Cornell Art Museum

The Cornell Art Museum is the original Delray Elementary School building built in 1913. The City of Delray Beach bought the historic building on the Old School Square campus from the Palm Beach County School District in 1987. The school building was named after George and Harriet Cornell in 1990 and renovated in 2017 with the support of Margaret L. Blume.
