Maribel Lieberman founded "MarieBelle" over two decades ago and is proud to be a "woman owned business". She has stayed true to her roots and love of chocolate using cacao from her native Honduras and, as a proud New Yorker (at her Brooklyn factory), hand-making the gourmet ganache with the finest ingredients and all-natural flavors.

MarieBelle artisan chocolates are known for their exquisite tasting ganache, hot chocolate, and truffles that are presented in artistic packaging, creating memories that last a lifetime. The charming offerings of the chocolatier are an expression of joy and the designs are reflective of a lifestyle that embraces chocolate not just as a sweet treat, but rather a work of culinary art to admire.
