ABOUT Epic Machines

Epic Machines is a Value Added Reseller and Managed Security Services provider offering Security Transformation using Cloud-native solutions to commercial and government markets.

Digital Transformation has already occurred and is being further accelerated by a primarily remote worker norm. To secure this newly transformed worker, Cloud-native technologies in identity, endpoint security, and enforcement Cloud are the building blocks. This builds a foundation to address the wide range of DLP (Data Loss Prevention) use-cases faced by Operations and Security Teams.

In addition, Epic Machines sells technology products and SaaS services for over 300
