Curanderismo is a traditional method of healing that has been passed down through generations of indigenous healers. Dr. LaFranchi at AcuBliss Acupuncture & Holistic Medicine is dedicated to using thoughtful inclusion of traditional Indigenous healing practices and traditional

Chinese medicine alongside a doctor's functional medical treatments and labs.

Dr. Amorette LaFranchi has studied natural healing and acupuncture treatments extensively and has developed techniques that go beyond the typical acupuncture care. She has made it her mission to provide her patients with exceptional results that surpass what some may have experienced with acupuncture before.

"I am excited to bring a new hub of healing to Boulder," said Dr. LaFranchi. "Our clinic's approach to healthcare is unique, and we strive to provide personalized treatment plans to our patients. We are dedicated to helping our patients achieve optimal health and well-being through a multidisciplinary treatment approach in order to address the whole person: body, emotions,

mind, and spirit."

AcuBliss Acupuncture & Holistic Medicine Clinic provides a range of services, including acupuncture, herbal medicine, fertility acupuncture, and cupping therapy. The clinic's services are designed to help patients with various health issues, including pain management, stress reduction, digestive issues, and women's health.
