Cyrus Artisan Rugs stocks a variety of well-designed Thomas O'Brien designer rugs

MINNEAPOLIS, MINNESOTA, UNITED STATES, April 8, 2023

/EINPresswire.com/ -- Thomas O'Brien is known for his distinct, warm modernism style in design. Since establishing his own design firm in 1992, he has been celebrated as one of the pioneers for incorporating modernism into warm and livable design pieces and has become a revered interior and home designer. O'Brien does this by combining modern, vintage, and traditional inspirations for both his interior and product designs, resulting in classically elegant yet practical and sympathizing design pieces. This unique and revolutionary style has garnered him critical acclaim from several designer lists and publications.
