

Announcing: Online Workplace Impairment Training for Supervisors/Managers from ZXEREX Corporation

Important Impairment Training from developers of ZXEREX-Safe™ and IMPAIR-ID powered by ZXEREX™ - rapid, accurate, non-invasive impairment screening solutions

SCOTTSDALE, AZ, USA, April 10, 2023

/EINPresswire.com/ -- Zxerex is please

to announce the pre-release of an online impairment training program for managers and supervisors.

The course includes 12 sessions (6 hrs.) providing an overview of impairment with topics related to the identification and management of impairment that can arise from fatigue, substance abuse, and mental illness.

The following is a brief description of its contents:

Session 1 - Course Introduction

Session 2 - Reasonable Suspicion of Impairment

Session 3 -Fatigue

Session 4 - Substance Abuse

Session 5 - Understanding Mental Illness

Session 6 - Observing the Eyes

Session 7 - How Law Enforcement Uses Psychophysical Testing (optional - informational only)

Session 8 – Impairment Observations

Session 9 - [Impairment Mitigation](#)

Session 10 - Engaging with Impaired Employee

Session 11 - Recap Impairment Identification

Session 12 - Documentation and Interview

This course is designed to address the needs of managers and supervisors to become more aware of impairment caused by fatigue, substance abuse, and mental illness.

It includes what one needs to know about identifying impairment, interacting safely with impaired employees, and some risk mitigation steps to reduce overall impact, and maintaining a safe work environment.
