#### About the Kansas City Symphony Alliance

The Kansas City Symphony Alliance is a nonprofit volunteer organization which promotes an interest in symphonic music throughout the greater Kansas City area, and in particular the welfare of the Kansas City Symphony, the Kansas City Symphony's programming, young peoples' concerts, and youth activities, through volunteerism, educational projects, social activities, and fundraising projects.

#### About the Kansas City Symphony

Founded in 1982, the Kansas City Symphony has established itself as a major force in the cultural life of the community. Praised for performances of uncompromising standard, the orchestra is the largest in the region and enjoys a national reputation under the artistic leadership of Music Director Michael Stern. The Symphony performs more than 130 concerts each year, reaching more than 250,000 community members. The Symphony welcomes guests of international acclaim as part of its Classical and Pops series and serves as the orchestra for the Kansas City Ballet and Lyric Opera of Kansas City. Complementing its full schedule of concerts, the Symphony enriches the lives of Kansas City residents by providing music education opportunities for children and adults, such as KinderKonzerts, Young People's Concerts, an instrument petting zoo and concert comments. The Mobile Music Box, a popup stage created by the Symphony during the COVID-19 pandemic, reaches thousands of audience members each season with dozens of chamber music concerts throughout the Kansas City metro area.
