leader in compliance software, [Abyde](#), announces its newest partnership with the Association of New Jersey Chiropractors (ANJC), offering complete [HIPAA](#) and [OSHA](#) compliance programs and solutions to ANJC's membership base.

The Abyde software solution is the easiest way for any sized independent practice to implement and sustain comprehensive HIPAA and OSHA compliance programs. Already used by thousands of practices nationwide, Abyde's revolutionary approach guides practices through

mandatory compliance requirements such as risk management programs, training for doctors and staff, customized policy documentation, and more. As industry leaders, the software provides practices with the tools and assistance they need to achieve stress-free compliance.

“At Abyde, we love serving the independent practice environment, and with the new ANJC partnership, we continue to show why so many chiropractic offices choose Abyde for their compliance programs,” said Matt DiBlasi, President of Abyde.

“With the addition of ANJC to our partners, we look forward to extending our solutions and support to the practices of the Garden State.”

“A focus of the ANJC is to provide members with resources and learning opportunities to enhance their practice and better care for their patients,” said Suzanne Corson, Executive Director of the Association of New Jersey Chiropractors. “Partners, like Abyde, ensure chiropractors across the state have access to tools needed to protect themselves as well as their patients.”

About Abyde -

Abyde (Tampa, FL) is a technology company dedicated to revolutionizing HIPAA and OSHA compliance for medical professionals. Launched in January 2017, Abyde was formed with the idea that an easier, more cost-effective way for healthcare providers to comply with government-mandated regulations could exist.
