*A Thrilling Sequel of Author Robert James Allen's Debut Novel to be Showcased in the Annual Los Angeles Times Festival*

LOS ANGELES, CA, UNITED STATES, April 10, 2023 /EINPresswire.com/ -- What will you feel if everything you love dearly starts to gradually disappear? This is the story of the lone hunter as he continues to live his life with only vengeance in mind.

The sequel of Robert James Allen's ruminative novel will grace the 2023 Los Angeles Times Festival of Books as one of Authors Press' exhibitions this April 22 and 23. [White Bane II](#) is an enthralling tale set in the year 1797 — a period of civil unrest.

White Bane II is a sequel of the author's debut novel, White Bane: A Novel — the sequel narrates the life of the hunter as he seeks vengeance. As the hunter continued his journey, he had been through numerous obstacles that honed his thinking; meeting different people who either helped or threatened him. For over a year, the towns of the Fray were subject to civil unrest, crimes, inequality, and the white plague; all of those were experienced by the hunter. Little by little, everything that he treasures starts to crumble.

“

Everything in which the hunter held dear is now forfeit.”
