Tactical Management Homepage

"We are excited to announce our continued focus on turnaround investments and cash-burning tech startups with a scalable B2B business model," said [Dr. Raphael Nagel](#) Chairman of Tactical Management. "Our active approach as turnaround investors has proven successful in supporting our portfolio companies, and we are committed to continuing to provide funding, restructuring experience, and a global network to help our companies achieve success."

Tactical Management's unique approach sets them apart from classic investment funds, allowing

the firm to take a hands-on approach to managing their investments and creating value for their portfolio companies.

The firm's commitment to its investment philosophy and approach positions them as an attractive option for companies seeking more than just capital from their investors. Tactical Management's reputation for being an owner-managed investment company with a backbone makes them a force to be reckoned with in the private equity space.
