

Deal Tracker Democratizes Real Estate Data Access for Investors, Analysts, and Journalists

Revolutionary Deal Tracker democratizes real estate data access, empowering investors, analysts, and journalists with affordable, comprehensive insights.

CHATSWORTH, CALIFORNIA, US, April 11, 2023 /EINPresswire.com/ --

Introducing Deal Tracker, a groundbreaking product poised to revolutionize the way [real estate data](#) is accessed, making it available to everyone. With a modest daily fee of just \$6, real estate investors, analysts, and journalists can gain comprehensive access to all listings across the United States, complete with financial indicators and a wealth of additional information. Visit [dealtracker.ai](#) to learn more and get started.

Until now, this level of data has been exclusive to large companies, with annual costs exceeding \$100,000 and multi-year contracts being the norm. Deal Tracker breaks these barriers by offering a flexible month-to-month subscription, empowering all interested parties, from individual investors to industry professionals, to access the same valuable information.

Deal Tracker's affordable and user-friendly platform is designed to provide subscribers with a wide range of real estate data, including:

Comprehensive listings: Gain access to all for-rent and for-sale residential properties in the United States.

Financial indicators: Explore mortgage, insurance, and tax rates for every zip code, covering fixed, FHA, VA, and ARM mortgages.

Agent information: Browse all active real estate agents, their contact information, and performance metrics.

Market insights: Stay up-to-date on market trends and fluctuations, enabling informed decision-making and investment strategies.

By breaking down the barriers to entry, Deal Tracker is set to become a game-changer in the
