

Anizzy's New EP "You" Captures the Essence of Raw Emotions in Love and Songwriting

Anizzy's latest EP, "You," showcases a clear dedication to making music that speaks from the heart.

LOS ANGELES, CALIFORNIA, UNITED STATES, April 11, 2023

/EINPresswire.com/ -- R&B artist Anizzy is set to release his highly anticipated EP, "You," on April 14th, which features heartfelt tracks about a woman he met. This EP showcases Anizzy's unique talent as a singer and songwriter, as he poured his heart out into every lyric.

"You" is a project that showcases Anizzy's skills as a songwriter. The EP features producers Matthew May, InsaneBeatz, and Between The Vibes, with singing/songwriting by Anizzy, with one exception of a song that he produced himself. In the creation of this project, Anizzy focused more on songwriting, something that he has always struggled with. The result is a collection of tracks with some of the most honest and heartfelt lyrics Anizzy has ever written.

"I wanted to create something that was deeply personal and meaningful to me," Anizzy said. "I poured my heart and soul into this EP, and I can't wait for everyone to hear it." With the upcoming release of "You," Anizzy is excited to share his personal journey through music with his fans. The EP promises to be an emotional, introspective journey and a testament to Anizzy's growth as an artist and songwriter.

In addition to his latest EP, Anizzy has recently seen success with his single "Give Me a Sign," receiving playlist placements on Spotify. Anizzy has also received press placements for his previous EP, "You Against Me," and has had several singles, including "Passion," "Denver," and "The Return." His music has been featured on Ditto's Emerging Artists playlists and his single

"Denver" even made its debut on Breaking Sound Radio.

Anizzy's talent and dedication to his craft are undeniable, and "You" is a testament to his hard work and passion for music. Be sure to mark your calendars for April 14th to experience this emotional journey of love and self-discovery on all major streaming platforms.
