

# Balfour Capital Group is Proud To Announce The Retirement of Daniel Greenwood

LUXEMBOURG, April 11, 2023

/EINPresswire.com/ -- Congratulations to Daniel Greenwood on his retirement as the Chief Investment Officer of Balfour Capital Group! He has had a fulfilling career and has made valuable contributions to the business. It's great to hear that he is leaving on a high note and that his door is open to everyone he has worked with.

It's also reassuring to know that Steve Alain Lawrence and his team will be taking over the management of the current portfolio, and that Balfour Capital Group has a strong team that is dedicated to executing and understanding risk. The company is in good hands and will continue to thrive under new leadership.

“

Retirement is not an end, but a new beginning. It's a time to reflect on the past, plan for the future, and continue making a difference in the world in a new way.”

*Daniel Greenwood*

Once again, congratulations to Daniel Greenwood on his retirement, and best wishes to him and the entire Balfour Capital Group team for their future endeavors.

"Retirement is not the end of the road, it's the beginning of a new journey. I'm grateful for the opportunity to have served as a hedge fund manager and to have been part of this dynamic industry. As I move on to the next chapter of my life, I look forward to new challenges and opportunities, but I will always treasure the relationships and experiences

I gained during my time in the hedge fund world."
