

Door Systems installs New Overhead Garage Door to Local Non-Profit

Door Systems is happy to play a part in the renovations happening at West Stanly Christian Ministries to bring a safe space to local youth.

CHARLOTTE, NC, USA, April 11, 2023 /EINPresswire.com/ -- [Door Systems](#), part of [ASSA ABLOY](#) (Door Systems), a residential and commercial door installation and repair company and part of global industry leader ASSA ABLOY, installed the new overhead garage door at [West Stanly Christian Ministries](#) on Mar 20, 2023.

The Charlotte-based company wanted to do something special for the people who make Charlotte and the

surrounding area such a special place they call home their company. During the giveaway, they realized that “Door Systems can’t reach hundreds in the community, but we can put up doors. We knew that if we played our part and worked together with a local business, together a change

“

Door Systems can’t reach hundreds in the community, but we can put up doors. We knew that if we played our part and worked together with a local business, together a change for the better could happen”

for the better could happen.” said Door Systems President Kyle Hillard.

“We have to take a step back and listen to what the Lord needs us to do, so after speaking with Stanfield’s Chief of Police, it was decided that the area needed a safe place for the community’s youth to hang out. So that is what we are doing. And it’s encouraging when businesses see our organization’s value to the community and want to assist us in moving forward. Some people get it!” said Robert Britt, West Stanly Director.

West Stanly Christian Ministries, located in Stanfield, NC, is

a non-profit with eight different branches to serve their community, from a thrift store and clothing closet to a food pantry and crisis assistance interventions. You can find out more about their services and ways to donate on their website.
