NEW YORK, NEW YORK, UNITED STATES, April 20, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- [Crush Wine Experiences](#) (formerly New York Wine Events) is pleased to announce the return of its public [Day Trip to Wine Country](#) tours, running Saturdays from May 13, 2023 through November 11, 2023. After brisk 2018 and 2019 tour seasons, the company’s public tours ceased operations during the pandemic, replaced by popular private group tours. Now with renewed focus, the public tours will resume as a semi-private experience. Departing from a convenient Midtown Manhattan location at 9am, the day trips return to the city at approximately 6pm. Round trip transportation provided aboard well-appointed luxury motor coaches booked at lower capacity with a maximum of 35 guests, easily accommodates individuals and parties of two or more (no minimum required).

Guests enjoy a tasting at Crush WineXP's Day Trip to Wine Country.

Led by friendly, knowledgeable WSET certified sommeliers, the Day Trip to Wine Country tours visit two of Long Island’s finest, award-winning wineries per excursion, sampling four selections at each. Crush Wine Experiences’ tour guests receive unparalleled access as they interact with winemakers and key vineyard staff and go behind the scenes, visiting production areas and barrel cellars. Tours spend an enjoyable 90 minutes at each winery, gaining entertaining insights into how the wine was made. The lively, informative chats and tastings offer ample opportunity to ask questions and gain wine pairing ideas to enjoy at home.

Wineries included in the 2023 season’s Long Island tours include Jamesport Vineyards, Lenz

Winery, Pellegrini Vineyards, Peconic Bay Vineyards, Pindar Vineyards, and RGNV Winery. Guests will not only taste some of the region's finest wines but also enjoy light bites to pair with the selections at the first winery stop, with the option to order local artisanal local fare a la carte at the second winery. Prepared for a comfortable guest experience in all weather conditions, activities are indoors in spacious tasting rooms during inclement or cooler weather and protected from the elements during warm, sunny days.
