FORT WORTH, TEXAS, UNITED STATES,  
April 13, 2023 /EINPresswire.com/ --  
Texas R&B and soul artist [Johnny the  
Hobby Artist](#), owner of [JRS3 Music LLC](#),  
has debuted his fresh new single  
"Coffee".

[Johnny](#) experienced a brief hiatus and  
came back to the studio to create a  
masterpiece track. "Coffee" is upbeat  
and lively, steaming up coffee shop  
vibes with a unique artistic view on  
coffee. According to Johnny, the beauty  
of "Coffee" is that everyone can enjoy  
it. Just like the energizing beverage,  
"Coffee" has a flavor for everyone.

Coffee

With lyrics such as "you gotta have this  
coffee", the new single is a brilliant melody that listeners will want to hear again and again. The  
song blends together Johnny's innate style of soul, hip-hop, and funk. After listeners hear the  
song, they'll be wondering if "Coffee" is about something different than the name of the track.

“

you gotta have this coffee”  
*Johnny the Hobby Artist*

In fact, the goal of Johnny's music is always to invoke  
reflection and to inspire listeners to consider major life  
themes from a brand new perspective. "Coffee" certainly  
does not disappoint.

"Coffee" was produced by Johnny the Hobby Artist and mixed/mastered by Beau Vallis.
