The graphic features a dark blue background with a white banner at the bottom. On the right, there is a photograph of two men sitting on a stage, one speaking into a microphone. In the background, a screen displays names and titles of speakers, including 'Srinivas Mazumdar, Editor in Chief, TechCrunch', 'Chirag Mehta, Associate Director, Digital Transformation, RBC Capital Markets', and 'Shahid Nazki, Head of Product, LinkedIn'.

"We are thrilled to have such an outstanding group of speakers joining us for the AI and Big Data Expo," said Lia Richards, Head of Conference at TechEx Events. "With their diverse backgrounds and extensive experience, they will bring a wealth of knowledge and insights to our attendees. We look forward to hearing their perspectives on the most pressing issues facing the industry today".

In addition to all the exciting presentations, the AI and Big Data Expo will feature an impressive lineup of exhibitors showcasing the latest advancements in technology, healthcare, finance, manufacturing, and more. Attendees will have the opportunity to explore the latest AI products and solutions, network with industry professionals, and gain valuable insights into emerging trends.

The event's official networking party will take place at the prestigious Levi's 501 Club at the Levi's Stadium, the home of San Francisco 49ers! The networking party will allow Gold and Ultimate pass holders to share the experiences of the day and will provide the opportunity to meet with existing and new business partners in a more relaxed setting, with free food and drinks provided.

Register now for the AI and Big Data Expo and be inspired by these incredible speakers who are changing the game in the world of AI.
