

Aeronet Atlanta Makes a Significant Upgrade

Southeast operations hub moves into a brand-new, spacious facility.

JONESBORO, GEORGIA, USA, April 12, 2023 /EINPresswire.com/ -- Aeronet Worldwide's Atlanta station has made a massive upgrade. Previously in a smaller facility, with limited warehouse space, they move into a new 200,493 square foot facility. With the drastic change in size comes the ability for Aeronet to have a true flagship presence in the Southeast, and to also be a comprehensive logistics solutions provider of storage, transloading, eCommerce fulfillment, and distribution.

The exterior of Aeronet Atlanta's new facility.

The new facility is located within 10 miles of Hartsfield-Jackson Atlanta International Airport (ATL).

This is now the largest station Aeronet has, and now gives the company five U.S. markets with facilities over 100,000 square feet. (Austin, Houston, Los Angeles, and Ontario are the others).

Contact General Manager Edie McElwaney (EMcElwaney@Aeronet.com) to find out how Aeronet Atlanta can handle your freight and logistics needs.

About Aeronet Worldwide:
