ARVADA, CO, UNITED STATES, April 12, 2023 /EINPresswire.com/ -- [DriveSafe Driving Schools](#) is hosting their [Car Care and Safety Clinic](#), titled "[You've Got This!](#)" The workshops are free to attend and will be hosted at the following times and location:

Friday, April 28th 10:00 am, 11am, and 1pm MST
Van Arsdale Elementary at 7535 Alkire Street Arvada, CO 80005

The "You've Got This" workshop will take place in one hour increments and students will be taught a variety of skills that will help them stay safe on the road. The activities planned will give participants hands-on experience in learning the importance of focus and the dangers of distracted or impaired driving. Through games that test reaction time, or require participants to wear "drunk goggles," attendees can understand types of driving threats within a simulated context.

The clinic will also cover rules of the road and important car care activities such as, how to change a tire, check your oil, and other relevant car maintenance skills.

DriveSafe takes a non-fear based teaching approach and their goal is for attendees to learn the importance of, and ultimately practice proactive, preventative, and defensive driving skills.
