

Aacadia Unveils Competitive Merchant Benefits with Simpay's Business Services Platform

Aacadia Announces Program Enhancements with Simpay Partnership

AUSTIN, TEXAS, UNITED STATES, April 13, 2023 /EINPresswire.com/ -- Aacadia Payments, LLC, a leading provider of electronic payments in North America, today announced it has partnered with Simpay to bring Aacadia's clients a more robust payments program.

Call to get a quote today!

Aacadia's sales teams will be rolling out the new Aacadia Select Plus pricing program to their small and medium-sized business clients, reducing processing costs and allowing those businesses to apply deep revenue savings to grow their operations. Simpay has created a business services platform consisting of essential products to simplify the SME marketplace's daily operations.

“

Aacadia's strong Sales and Operations teams, combined with Simpay's Total Business Solutions platform produces a magical synergy with Aacadia.”

Riley Bangerter, Aacadia's CEO

Riley Bangerter, Aacadia's CEO, commented, "Aacadia's strong Sales and Operations teams, combined with Simpay's Total Business Solutions platform produce a magical synergy with Aacadia."

Both Aacadia Payments and Simpay share the core belief that an exceptional customer experience is a key

component for success. Simpay's integrated technology simplifies secure payment processing and enhances the payment experience for the end users.

“Our mission is to simplify the lives of small business owners,” said Lazaros Kalemis, CEO & Founder, of Simpay.

“Aacadia has a real passion and commitment to bringing outstanding products and services to businesses across the United States. With Simpay's processing, payroll, commercial insurance,

and business growth tools, Aacadia clients will simplify their workload and get back to doing what they do best - running their business.”

About Aacadia Payments, LLC:

Founded in 2020 and headquartered in Jonestown, TX, Aacadia Payments is at the forefront of standards-based business reporting and analytics.
