

Activera Consulting launches in Houston

HOUSTON, TEXAS, UNITED STATES,
April 13, 2023 /EINPresswire.com/ --
Activera Consulting is proud to
announce its official launch. The firm
specializes in developing fit-for-
purpose solutions and empowering
energy companies to optimize

processes and prepare their people and assets for changes related to [digital transformation](#) and [energy transition](#).

Founder and Managing Partner Jonas Georgsson has hand-picked his partners/consultants to provide Activera clients with the experience and expertise of a large consulting firm, but with boutique firm costs and agility.

"Change is an opportunity for growth," Georgsson said. "Activera Consulting provides services to the energy industry, such as digital strategy development, merger integration, agile product and program management, along with data and analytics solutions. Our consultants work closely with clients to determine their needs and create customized solutions that deliver real results."

To learn more about Activera Consulting and how they can help your business prepare for digital transformation and energy transition, visit activeraconsulting.com or reach out directly at info@activeraconsulting.com
