

Lokko Labs Unveils AI-Powered Google Sheets Extension for Enhanced Data Management

Innovative extension offers advanced features such as cell editing, template creation, and data insights for efficient spreadsheet management.

NEW YORK, NEW YORK, UNITED STATES, April 13, 2023

/EINPresswire.com/ -- Lokko Labs Introduces AI-Powered [Google Sheets Extension](#) with Advanced Features for Enhanced Spreadsheet Management

Lokko Labs, a leading provider of AI-powered solutions, is excited to announce the launch of its innovative AI-powered Google Sheets extension, Wraith Sheets. The extension enables users to interact conversationally with their AI, which will not only modify their spreadsheets but also analyze the data within them.

Create and edit templates easily

Can come up with ideas for anything you need.

The AI-powered extension, designed to make spreadsheet management more accessible and efficient, is packed with advanced features that include:

1. **Edits Cells For You:** Users can now have the AI bot edit cells and perform tasks such as sorting, filtering, and formatting data, as well as creating charts and graphs.
2. **Quickly Make Templates:** If users are faced with a blank spreadsheet and unsure where to start, they can simply ask Wraith Sheets to create a template for them.
3. **Data Insights:** The AI provides instant explanations of spreadsheet data, trends, and key metrics, giving users a deeper understanding of their data.

4. Formula Assistance: The AI helps users add columns and troubleshoot formulas, effectively reducing errors.

5. Priority Support: Users can expect prompt assistance and support for any issues or queries they may encounter.

6. Advanced plans can have early access to new features, including email actions and web actions, which are coming soon.

"We are thrilled to launch our AI-powered Google Sheets extension," said Bob Swinson, CEO of Lokko Labs. "This extension will significantly enhance spreadsheet management, allowing users to get more value from their data. We believe this extension will be a game-changer for businesses and individuals alike."

The AI-powered Google Sheets extension is now available for [free on the Google Chrome Web Store](#).
