

Natasha Owens Continues to Cause a Stir with Chart-Topping Viral Hit “Trump Won”

NASHVILLE, TN, USA, April 13, 2023 /EINPresswire.com/ -- Natasha Owens' chart-topping new single [“Trump Won”](#) has now become a viral hit on social media, amassing over 70 million social media impressions, despite shadow banning and widespread reports of posts, retweets and shares being removed on nearly all platforms. The song shocked the music industry upon its release last month, immediately debuting at #1 on iTunes in mid-March before debuting at #5 on the BILLBOARD Digital Sales Chart and #2 on the BILLBOARD Country Digital Song Sales Chart.

The music video for the bold political anthem was quietly released on [Youtube](#) and [Rumble](#) with no announcement or fanfare, and quickly and organically went viral. After amassing the first million views, media outlets began to take notice, leading to appearances on War Room with Steve Bannon, Lindell TV with Mike Lindell and One America News Network, among others. Former President Donald J. Trump even posted about the single at TruthSocial. Other major conservative outlets booked interviews as well, before canceling last minute due to network pressure.

"It's so fun to read the comments on social media," says Owens. "I am so happy to be a part of something that has brought so much joy to so many people. Keep spreading the word!"

“Trump Won” comes on the heels of Owens' most recent album, American Patriot — a bold, proud, powerful concept collection that bridges an unwavering love of country with the themes of faith and family that have always played a significant part in her artistry. The album includes notable tracks such as the powerful pro-life single, "Stand for Life," as well as “America First,” a

subtle tip of the hat to America First Policy Institute. The album also includes "Freedom Is The Song," "Prayer For America," and the soaring ballad, "Broad Stripes, Bright Stars," as well as powerful new renditions of iconic standards: "God Bless America," "My Country, 'Tis Of Thee," "America The Beautiful," "The Star-Spangled Banner" and "God Bless The U.S.A."

The unapologetic patriot made headlines over the July 4th weekend with digital billboards promoting the album release "flying over enemy territory" in New York City's Times Square, and she has been making regular appearances on the conservative circuit including main stage appearances at CPAC Texas, CPAC Orlando, Hero's Honor Festival, Susan B. Anthony Pro-Life America Black-Tie Gala, and a concert performance for President Trump at the America First concert event at Mar A Lago. On April 22nd, Owens will headline the Cotton Belt Festival in Fordyce, Arkansas.

Natasha Owens

Owens exploded onto the Christian Music scene in 2016 and quickly found herself touring with Christian Music's most iconic artists, including Michael W. Smith and Jason Crabb. Her sophomore album, *We Will Rise*, was named "Inspirational Album of the Year" at the 2018 We Love Christian Music Awards, which led to a deal with Nashville-based Radiate Music and extensive media coverage including appearances on Fox News, HLN, Newsmax and more.

"Trump Won" and *American Patriot* were produced for Nashville-based record label Radiate Music by GRAMMY-nominated and multiple Dove Award winner Ian Eskelin.
