

Robert Sandilands Releases a Story of Retribution Through His Book “The Bomb Maker’s Apprentice”

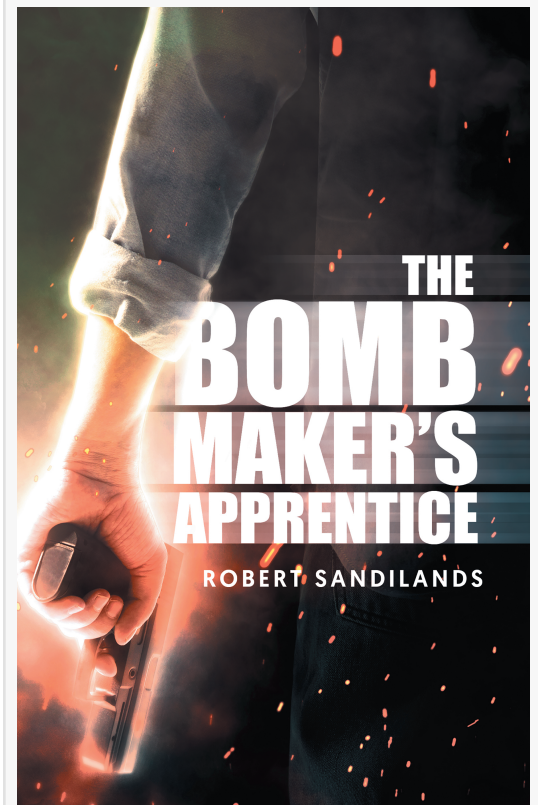

TOMAH, WISCONSIN, USA, April 13, 2023
/EINPresswire.com/ -- About the Book

If a wound has to be done to a man it should be so grievous that his vengeance need not be feared, and injustice anywhere is a threat to justice everywhere. With this, Robert wants his readers to venture a new story of vengeance, and justice through his book ‘The Bomb Maker’s Apprentice’. The book is about a young man named Richard Barton who seeks justice for the murder of his brother. As an ex-soldier, Richard thinks he has witnessed the worst of humanity. But he’s wrong. The brutality he now sees, surrounded by villains is more horrible than he could have imagined. If Richard wants justice, he might have to become monstrous himself. More than that he must be careful and not ask too many questions because the wrong question could mean death.

When asked about what he wants to say to his readers, Robert answers, “Being an avid reader, I was inspired to write this genre. Readers who have read this book say it’s a page turner, some giving it a five-star rating.”
