

Top Tech Execs Set to Take the Stage at Digital Transformation Week to Share Their Expertise in Digital Transformation

Top executives from the world's leading tech companies will converge in Santa Clara, CA to unveil their latest strategies and insights on digital transformation

SANTA CLARA, CALIFORNIA, UNITED STATES, April 13, 2023

/EINPresswire.com/ -- Some of the world's leading tech companies will converge in Santa Clara, California, as their top executives take to the stage to unveil their latest strategies and insights surrounding digital transformation. [Digital Transformation Week North America](#), the leading digital transformation event, has announced its line-up of top speakers for the 2023 conference taking place in Santa Clara, California May 17-18th.

This year's event will include [Digital Transformation experts](#) from a range of sectors, including global brands such as Sephora, Uber, Meta, Netflix, PepsiCo; as well as technology leaders from large financial and healthcare services including Heritage Bank of Commerce, BNY Mellon, Molina Healthcare, Kaiser Permanente, and Cardinal Health.

Top speakers include:

- Sneha Narahalli, Head of Product (Digital, Data & MarTech) at Sephora
- Karthik Sankaran, Senior Director Commercial IT at PepsiCo
- Andrew Bargielski, Digital Transformation Strategist at United Airlines
- Parul Saini, Global Head of Business and Enterprise Applications at Uber
- Kayla Bourgeois, EVP, Transformation at Lionsgate – Motion Picture Group
- Aditya Kejriwal, Customer Experience, Product Management & Business Transformation leader at Cardinal Health
- Cia Parker – Director of Engineering and Operations at T-Mobile
- Steve Ma – Senior Director, Enterprise Architecture at Walgreens

The graphic is a promotional poster for Digital Transformation Week North America 2023. It features a dark background with a teal and yellow color scheme. At the top left, it says 'DTW DIGITAL TRANSFORMATION WEEK'. At the top right, it says 'May 17-18 2023 Santa Clara Convention Center, California'. In the center, it says 'DIGITAL TRANSFORMATION SHAPING THE FUTURE OF WORK' and 'REGISTER NOW>'. Below this, there are six circular portraits of speakers, each with their name and title, and a company logo. The speakers are: Sneha Narahalli (Head of Product (Digital, Data & MarTech) at Sephora), Karthik Sankaran (Senior Director Commercial IT at PepsiCo), Cia Parker (Director of Engineering & Operations at T-Mobile), Kayla Bourgeois (EVP, Transformation at Lionsgate), and Dedy Das (Head of Engineering, Search & Intelligence at Glean). The bottom of the graphic features the 'DTW DIGITAL TRANSFORMATION WEEK' logo again, followed by the text 'Digital Transformation Week North America'.

We're thrilled to welcome some of the industry's most influential and knowledgeable experts to share their Digital Transformation insights and expertise."

*Lia Richards, Head of
Conference*

- Pradeep Jadhav – Director, Data Science, Digital Global at BNY Mellon
- Udit Gami – Product Strategy & Program Management Leader at Meta
- Murali Nathan - Digital Innovation & Transformation Leader at Avery Dennison

These speakers will share their [invaluable experiences and insights](#) on a wide array of topics, including transformation infrastructure, innovation, the future of work, and customer experience. On top of that, the event offers an all-encompassing experience with exciting features such as

the large expo hall exhibiting the latest tech solutions. You'll also have numerous opportunities to network and mingle with like-minded individuals, culminating with a spectacular networking party at the iconic Levi's Stadium at the end of day 1.
