NEW HAVEN, CONN., UNITED STATES, April 14, 2023 /EINPresswire.com/ -- [Chaser Eight](#) is an alternative rock band based in New Haven, Connecticut. The group mastered the art of making music with a wide range of creative influences and embracing various musical styles. This results in a very personal sound that's also massively appealing.

Chaser Eight has released a brand new studio EP titled, 'Wide Awake.' This EP is not a run-of-the-mill release; it is a significant milestone for the band. It is an opportunity for them to celebrate 10 years of making music together as a band, and it is a testament to their continued motivation and focus.

“

Pure rock and Roll vocals in the spirit of Joan Jett, with a modern Alternative edge. Lyrics that Sylvia Plath would be proud of.”

'Wide Awake' features the lead single, "This Masquerade," which is accompanied by an official music video. Besides the lead single, there are many notable moments on the EP. The track "Before I Go" highlights the group's ability to combine edgy sounds with personal lyrics. "Say Whatever" offers a punchy tone, without compromising in terms of relatable melodies. While there is some brightness and hopefulness to the sound of the band, Chaser Eight is rooted in dark elements. This is especially noticeable when

it comes to the background textures that fuel their sound design and aesthetics.
