

# Ethereal Gold Dispensary Now Carries TRE House Products

*Ethereal Gold Dispensary in Waukesha, WI now offers TRE House products: federally legal THC gummies, live resin HHC and THC vapes, pre-rolls, cookies, and more*

WAUKESHA, WI, UNITED STATES, April 13, 2023 /EINPresswire.com/ -- Ethereal Gold Dispensary, a trusted name in the cannabis industry, is excited to announce that they are now carrying TRE House products in their online dispensary and at their store in Waukesha, Wisconsin. This brings together two companies that share a commitment to providing customers with some of the purest full-panel tested products available.

TRE House is a leading producer of premium hemp-derived, federally legal THC products. Their line includes [live resin cartridges and disposables](#), smokables, pre-rolls, gummies, and other edibles. All of their products are made with the finest ingredients and are full-panel third-party tested to ensure their potency, purity, and that they are free from contaminants like heavy metals, mycotoxins, and more. TRE House's commitment to quality and transparency is in line with Ethereal Gold Dispensary's own values and dedication to customer satisfaction. All products meet the Ethereal Gold Standard, which requires every single SKU sold to have full panel lab testing on every single batch.

"We are thrilled to be able to offer our customers TRE House products," said a Erik Fuchs, Compliance Director for Ethereal Gold Dispensary. "Their commitment to quality and their dedication to creating the best possible federally legal THC products is a perfect match for our own values. We believe that our customers will be very pleased with the range and quality of the TRE House products we are now offering."

==About Ethereal Gold Dispensary==

Ethereal Gold Dispensary is an trusted name in the cannabis industry, offering high-quality and pure cannabis products [nationwide via their online dispensary](#) and physically in Waukesha, Wisconsin. They offer hemp-derived cannabinoid products like CBD, Delta-8, Delta-9 and rarer cannabinoids like CBC, CBG, CBN, THCV, HHC, THC-P, THCV and more. Their team has established a unique, stringent quality assurance process (The Ethereal Gold Standard) which includes requiring all products to have real full panel Certificates of Analysis (COA) for every batch. The COA is easily available for consumers to review and includes solvents, microbials, heavy metals, mycotoxins, pesticides, and more. This is above and beyond industry standards, as only potency is required by federal law. The company donates from every single sale to charities that assist communities that have been disproportionately harmed by cannabis prohibition and enforcement.
