

# The Mary Mac Show Introduces Its Exclusive 6 Episode Bereaved Mothers Podcast Series

*Grief Authority and Author Mary M. McCambridge interviews mothers whose children have died and courageously share their stories*

LAKE MARY, FLORIDA, UNITED STATES, April 14, 2023 /EINPresswire.com/ -- In never before real, raw and intense interviews, Mary M. McCambridge, host of The Mary Mac Show, delves into the unique experiences of mothers who have endured the death of a child.

Grieving the Death of a Child

Each Sunday beginning April 16th through May 21st, available on both [The Mary Mac Show Podcast](#) and her [YouTube Channel](#), six courageous mothers share the very heartbreaking details of life before their child's death, the days leading up to their death, the day itself, and how they and their families have been coping with their loss since then.

“

Living each day after the death of a child is unimaginable and heartbreaking. Yet these ladies share their story to help other bereaved mothers and I commend them.”

“I am exceptionally grateful to each of these mothers who speak from their hearts about what they've experienced and endured and graciously share the most painful days of their lives with such courage to benefit others who come after them,” says Mary Mac.

In our episode on Miscarriage/Pregnancy Loss, Celeste Harris of Fort Worth, Texas shares the traumatic loss of her 7 week old baby with us and how she has been coping this past year.

Our second episode focuses on Stillbirth with Samantha Terrazas of Frisco, Texas, who tells us how she endured the down syndrome in utero diagnosis of her son Ace and his stillbirth at 34 weeks as well as her recent miscarriage.

In our third episode on Death of an Infant, we welcome Lisa Price of New Berlin, Wisconsin,

whose daughter, Ari Harper, was diagnosed with Trisomy 13 in utero and died just shy of 10 hours after birth in April, 2017.

Our fourth episode on the Death of a Young Child, CarolAnn Braovac of Franklin, Wisconsin joins us to share her son Luka's diagnosis with an incurable brain tumor at age 7, his surgeries, treatments, challenges and his death at age 11 a few days after Christmas in 2018.

In our fifth episode, Death of a Teen, Lisa Boehm of Regina, Saskatchewan, Canada, speaks of the sudden death of her daughter, Katie at age 17 in a 2015 car accident.

Our sixth episode, Death of a Young Adult, Raina Irene of Southern California shares her son, Josiah's life who was diagnosed with stage two Hodgkin's Lymphoma at age 20, his choice of treatment, yet died in a motorcycle accident at age 29 in 2017.

Each of these mothers courageously discuss the details of their children's life, death and how they have coped with their pain.

Additionally, they give words of wisdom to other bereaved mothers who have already endured similar sorrow.

We also speak about how their husbands, partners and other children have been affected by their families' loss and how important it is to care for them and their grief.

"Living each day after the death of a child is a heartbreaking and excruciating experience. Yet these ladies share their story to help other bereaved mothers and I commend them," said Mary Mac.
