Becomes the Only Platform to Compare Sainsbury's Nectar Prices and Tesco Clubcard Prices for UK Shoppers Amid Cost of Living Crisis.

Supermarket Wizard, a revolutionary new website and app, has become the only platform that allows UK consumers to compare Sainsbury's new Nectar card prices with Tesco Clubcard prices, as well as pricing from other leading retailers.

“

We are proud to offer our services completely free of charge to further support UK households during these challenging times.”

Dr Eleanor Ball

As the cost of living crisis and high inflation on food products continue to impact households, Supermarket Wizard aims to help as many people as possible save money on their grocery shopping by offering unrivaled price comparisons across major supermarkets, including

own-brand products.

Following the recent introduction of over 300 heavily discounted Nectar card prices by Sainsbury's in response to Tesco's Clubcard loyalty pricing, Supermarket Wizard has swiftly adapted its platform to ensure its users have the most up-to-date and accurate information to make the best purchasing decisions. With over 100,000 products available for comparison, Supermarket Wizard is poised to become an essential tool for UK shoppers seeking to stretch their budgets.

Since its launch, Supermarket Wizard's user base has been steadily growing, and the company remains committed to listening to its users and iterating features based on their feedback. The company is proud to offer its services completely free of charge to further support UK households during these challenging times.
