The song was written by [Michael Botte](#) who is a corporate executive turned singer-songwriter from Pittsburgh, PA. Currently, Botte resides near Philadelphia, PA.

The Michael Botte Band was formed over Covid-19 quarantine in early 2020. Botte says, "In a time of

confusion, chaos, and uncertainty, I was desperate to create something I could love, cherish, and share with the world. So, I finally recorded the songs that I had written either 20 years or 20 min ago."

Michael Botte has been writing and playing music for many years and has released several songs currently on all [major streaming platforms](#). His music can be heard on 1000's of FM/Internet/College radio stations worldwide.

"Beautiful Day", produced by 40-year music veteran Bob Beals from Sound Foundation Studios in Canton OH, is a celebration of the outdoors and the beauty of nature. The song is a tribute to the joy of discovering the countryside in a Subaru. Specifically, the song is reminiscent of care-free days exploring the countryside with his wife and best friends in a 1998 Subaru Forester. The song blends alt-country and rock into a sound that takes you on a journey with catchy hooks and toe tapping beats.

The song is set to be released on April 21st, 2023, in honor of Earth Day. The song will be available on all major streaming platforms.

Michael Botte is excited to share his new song with the world. He hopes that it will inspire people to get out and explore the outdoors, and to appreciate the beauty of nature.
