

MUSE Proudly Unveils its 2023 Photographers and Category Winners of the Year

The International Awards Associate (IAA) and the MUSE Photography Awards proudly announces the official results for the best photographers in 2023.

NEW YORK, NY, UNITED STATES, April 18, 2023 /EINPresswire.com/ -- The International Awards Associate (IAA) and the [MUSE Photography Awards](#) proudly announces the official results for the best photographers in 2023. The award celebrates the creative ethos and underlying afternotes of what makes a photograph so influential, honoring those who unleash their inner MUSE.

“

The depth of photography reflects on the utter creativity of the person behind the shutters, and here is where they will seek out recognitions of the highest tier.”

Thomas Brandt, Spokesperson of IAA

Over the course of this amazing season, the award has received over 3,000 entries from more than 50 nations across the world, including submissions from United States, Germany, Italy, Netherlands, Australia, Japan, United Kingdom, France, Spain, and many more, honoring only the best images presented.

2023 MUSE [Photographers of the Year](#)

The 2023 MUSE Photography Awards has announced the winners for this year's competition, following a thorough review of the outstanding entries. Alessandro Carboni has been named as the Professional Photographer of the Year

with his stunning photograph titled "Moonbow", earning him a cash prize of \$3,000. Meanwhile, Judith Kuhn has been awarded the title of Amateur/Student Photographer of the Year for her captivating image titled "The King of The Arctic" and a cash prize of \$2,000.
