The acquisitions have a strong history of producing positive results for the acquired company, its employees, channel partners and clients. B2B Industrial Packaging has an outstanding record of maintaining the unique culture of each acquired company. Efforts are focused on helping clients take full advantage of national buying power backed by personal service.

Millennium Packaging clients will enjoy the same friendly service they've come to expect, along with a complete

selection of industrial packaging products streamlined through a national distribution network.

“Millennium Packaging built their business on the principles of partnership, quality and trust,” said B2B Industrial Packaging CEO Bill Drake. “These are cornerstones we value as well. As with all of our acquisitions, we are laser focused on delivering carefully developed world-class packaging solutions.”

For more than 25 years, Millennium Packaging has been providing customized packaging and equipment solutions to clients across the U.S. The company partners with clients to offer innovative, sustainable and cost-effective packaging solutions targeted to individual needs.
