

New tools for inventors & entrepreneurs on LA New Product Development Team's website for easier product development

LA New Product Development Team unveils tools for inventors & entrepreneurs: course, Development Map, Prototype Calculator, Realizr, Patent & Trademark search.

SHREVEPORT, LOUISIANA, USA, April 16, 2023 /EINPresswire.com/ -- We are thrilled to announce the launch of new tools and resources on the LA New Product Development Team's website aimed at helping inventors, entrepreneurs, and product developers navigate the complex world of product development. Our newly added "Tools" section offers a wealth of information, certification opportunities, and valuable resources to guide users from ideation to production.

Prototype Cost Calculator - How Much Does it Cost to Make Your Prototype - LA NPDT

From Ideation to Production: A Quick Guide to Developing a Physical Product

Our comprehensive course, "From Ideation to Production: A Quick Guide to Developing a Physical Product," provides an in-depth understanding of the product development process. It covers everything from idea generation and market research to design, prototyping, manufacturing, and marketing.

Access the course here:
