We are committed to making shoe care more accessible and convenient for everyone, and our service does just that. Our customers can now enjoy top-quality shoe repair without leaving their homes.”

Peiman Beig

online platform for professional shoe repair and care services, is excited to announce the launch of its new pickup and delivery service. The innovative solution is designed to make the lives of busy professionals easier by providing a hassle-free, convenient, and reliable way to get their footwear and handbags serviced.

With the recent expansion of ShoeMedic's services, the company now caters to customers across southern Ontario, providing a seamless experience from the comfort of their homes. This breakthrough offering allows customers to [schedule a pickup and delivery time](#), saving them the time and effort required to visit a traditional

brick-and-mortar shoe repair shop.

The new service is a testament to ShoeMedic's commitment to customer satisfaction and innovation in the shoe care industry. With the online platform's extensive range of services, including cleaning, polishing, restoration, and repair, ShoeMedic has positioned itself as the one-stop-shop for all footwear maintenance needs.

"The launch of our pickup and delivery service is an exciting milestone for ShoeMedic," said Peiman Beig, the CEO of ShoeMedic. "We are committed to making shoe care more accessible and convenient for everyone, and our service does just that. Our customers can now enjoy top-quality shoe repair without leaving their homes."

To use the new service, customers simply need to visit the [ShoeMedic website](#) and create an account. Once logged in, they can select the specific service they require, provide a brief description of the issue or request, and upload any relevant images. Following this, they can schedule a preferred date and time for the pickup.

Upon receiving the items, ShoeMedic's team of skilled artisans will carefully assess and perform the requested service, maintaining the highest standards of quality and craftsmanship.

Once the service is complete, customers will be notified, and their shoes will be securely packaged and delivered back to them. ShoeMedic offers a range of delivery options, allowing customers to choose the one that best suits their schedule and preferences.

ShoeMedic's mission is to revolutionize the way people take care of their shoes, and its new pickup and delivery service is a significant step towards achieving this goal. With its customer-centric approach, ShoeMedic is poised to become the go-to platform for footwear enthusiasts seeking top-quality repair and care services.
