

# Patsco Introduces the Most Innovative Windshield Repair Kit - Now Available on Amazon

*Simple and Effective Way to Fix Your Windshield. JUST Patch IT! No Drill or Injector Needed To Fix Rock Chips, Star Chip or Bullseyes.*

HOUSTON, TEXAS, UNITED STATES, April 17, 2023 /EINPresswire.com/ -- Patsco, a leader in automotive repair products, is proud to announce the release of their latest innovation - the Patsco Patch. The Patsco Patch is a revolutionary new [windshield repair kit](#) that is designed to be simple, effective, and affordable.

Repair Patch

With the Patsco Patch, repairing rock chips, star chips, and bullseyes has never been easier. Unlike traditional windshield repair kits, the Patsco Patch does not require any drilling or injectors, making it the most user-friendly windshield repair kit on the market.

“

I put the Patch on the rock chip, went to the store and took it off about an hour later and it was hard for me to find where the chip was. It was amazing!”

*Kate*

The Patsco Patch is now available on Amazon, making it easier than ever to get purchase this revolutionary windshield repair kit. With just four easy steps, anyone can fix a chip in their windshield without the need for expertise or professional help. The four-step process is simple and straightforward, making it accessible for anyone to use.

To use the Patsco Patch, simply stick it over the [rock chip on your windshield](#). Then, push the resin into the crack. After 20 minutes, peel off the patch and let it cure under sunlight to seal the chip. It's that easy! No drill or injector is required, and no prior experience or expertise is needed.

"We're excited to bring the Patsco Patch to market," said Patsco CEO Patrick McClain. "We know that windshield repair can be a hassle, and we wanted to create a product that would make it as easy as possible for consumers to repair their windshields quickly and affordably."

Patsco's innovative windshield repair kit is designed to save time and money. Instead of having to go to a professional or dealership to get your windshield repaired, the Patsco Patch make it easy to take care of the problem right away, avoiding the cost and hassle of a lengthy repair process.

The Patsco Patch is now available on Amazon, making it easy for consumers to purchase and receive their windshield repair kit quickly. With its user-friendly design and affordable price of \$9.98., the Patsco Patch is sure to be a hit with consumers who are looking for an easy and affordable way to repair their windshields.

"We're confident that the Patsco Patch will become the go-to windshield repair kit for consumers," said Patsco CEO Patrick McClain. "The Patch is simple & easy to use, just apply it to the rock chip, then remove it when you get where you going."
