readers how to overcome self-doubt, redefine their goals, and regain the motivation they need to get their lives back on track. A Path to Excellence was named a Winner in the Personal Growth and Development category of the Book Excellence Awards. The awards competition is dedicated to recognizing both independent and traditionally published authors and publishers for excellence in writing, design and overall market appeal in over 100 countries around the world.

“It is humbling to be recognized for the hard work it took to write and publish A Path to Excellence...I am grateful to the team, the readers, and the reviewers for their dedication to

reading and selecting my book for this prestigious book award,” says author Tony Jeton Selimi. As a #1 best-selling, award-winning author, TEDx speaker and internationally renowned

A Path to Excellence Award-winning book by Tony Jeton Selimi

transformational life strategist and business coach, Selimi is dedicated to helping others achieve excellence in all areas of their lives. His mission is to inspire one billion people from all walks of life to reach their true potential to help people transform their lives and society at large for the better. "I wrote the book [to help] people achieve a life they deserve and love...the book will help readers transcend their mind and elevate their living, igniting a revolution in thinking to better our modern world. I aim for readers to reclaim their gifts and power and be in charge of their destiny, growth, and life achievements."

Steeped in wisdom from Selimi's thirty years of experience in the personal development field, the book is coded with practical lessons, anecdotes and exercises to help readers shed their negative thought patterns and past conditioning, in order to wake up to their inner brilliance. In the book, Selimi outlines the eight essential elements of human excellence and details how to apply them consistently and continuously to overcome challenges and climb to greater heights. Most importantly, the book puts readers back into the driver's seats of their own lives by showing them that their choices, decisions, and actions determine their destiny. For those who may be going through prolonged periods of stress, unhappiness, and uncertainty, the book offers a way to grow beyond your limitations and step into a life of true fulfillment and prosperity.

"Tony Jeton Selimi's A Path to Excellence is easy to understand in delivering his content. He has also implemented bullet-form sentences which make the points stand out and become memorable. These also help one to absorb the information and remember significant points. Selimi provides exercises that we can use to examine ourselves and improve various aspects of our lives. He also uses himself as an example of an individual who has applied the Octagon of Excellence principles; this makes his suggestions realistic. This a practical guide and I recommend it to anyone going through challenges or frustrations since it will help you overcome your stumbling blocks so you can learn to face them head-on."
