*Unmask the faces behind the business models of the modern-day world and how these business models came to be*

TORONTO, ONTARIO, CANADA, April 17, 2023 /EINPresswire.com/ -- There is always an unrecognized figure behind every new discovery or development. A secret puppeteer who hides in the shadows of anonymity and is crucial in allowing such discovery to occur. Figures like Nikola Tesla, Katherine Johnson, and many others who have gone unnoticed and prefer to remain in the shadows. These figures helped shape modern society; it was their influence that inspired change and genius, allowing for innovations.

Extreme Entrepreneurs Steve Jobs and Jesus Christ

In the book [Extreme Entrepreneurs: Steve Jobs and Jesus Christ](#), author Tracy Emerick discusses the subtle and obscured influence of both Steve Jobs and Jesus Christ in the modern business world. It talks about the parallels of how the teachings and principles of Jesus Christ evolved and Steve Jobs' business models that are still utilized by entrepreneurs today regardless of the difference.

Tracy Emerick Ph.D., the author of this amazing book, has written a well-researched book both about the individual works of Steve Jobs and Jesus Christ, and how these works correlated to modern-day business models. The eloquent and masterful way of melding together two different works and principles of disparate influential minds into one and having it backed by statistics and research is truly astounding, a true product of passion.
