Dr.TWL Pharmacy's beauty library offers a range of titles by the company's founder, Dr. Teo Wan Lin, an international KOL in cosmeceutical skincare for Asian markets. Members can access all titles, as well as receive additional freebies.

The company's beauty tech store features the latest devices for skincare and haircare at discounted prices. Customers who purchase from Dr.TWL Pharmacy also receive a complimentary iconic expandable cosmetic bag lined with an antibacterial strip to disinfect makeup tools.

Dr.TWL Pharmacy is committed to reducing environmental waste caused by beauty packaging. The company's custom makeup line allows customers to create unlimited shades of lip and blush in a single reusable UV-protective palette.

Shopping at Dr.TWL Pharmacy also qualifies customers for free full-sized gifts and allows them to request custom samplers from the company's makeup lab. Additionally, customers who shop for the whole family can maximize their savings and earn more free gifts.

Dr.TWL Pharmacy's personal care section includes household products made with a plant-based surfactant, soapwort, which is safe for the whole family and the environment. The company's laundry detergent sheets are an eco-friendly option for those with sensitive skin.

Dermatologist Skincare Dr. Teo Wan Lin, the founder of Dr.TWL Pharmacy, said, "We believe that beauty and personal care should not come at the expense of the environment or personal health. We have created a range of highly effective products that are gentle on the skin and scalp without compromising on results. We are committed to reducing waste and protecting the environment, which is why we have launched an eco-conscious beauty range."

Dr.TWL Pharmacy ships internationally to customers' doorsteps, making it easy for anyone to access highly effective skincare, haircare, and makeup products. With its commitment to reducing waste and protecting the environment, Dr.TWL Pharmacy is leading the way in sustainable beauty.
